

Anty Drudge Explains How to Wash Blankets and Flannels.

Mrs. Justwed—"Boo, hoo! Now I've gone and ruined this pair of blankets. And I was telling Jack this morning how I was going to save money by washing them myself."

Anty Drudge—"Well, dearie, that pair is shrunk and there's no use crying over spilt milk, but you have learned a good lesson. In the future, you wash blankets, flannels and other woollens in lukewarm water with Fels-Naptha Soap suds. You'll hardly need to do any rubbing even. The dirt will fly and the things won't shrink. They won't get rough either."

And why do more than a million women use Fels-Naptha Soap regularly?

Because it is such an easy cleaner—

Because it saves work—

Because it makes the clothes so white and sweet and pure—

Because the clothes wear so much longer.

They use Fels-Naptha for washing their finest frocks, their laciast lingerie. It won't harm them.

And they use it in their housework, too. Fels-Naptha is just as superior in cleaning and scrubbing as in washing clothes. Whitens the floors as well as cleans them, brightens up the dingy paints; brings out the color in oil-cloths and linoleums; removes spots from varnished surfaces without dulling.

Remember Fels-Naptha does its work better with cool or lukewarm water than with hot water. Follow the directions on the red and green wrapper. Use any time of year.

NEWBRO'S HERPICIDE SAVES WORRY, SAVES MONEY, SAVES THE HAIR

If you want to free your head of dandruff and stop falling hair, you must sooner or later resort to Newbro's Herpicide.

By using Herpicide first you save yourself worry, which is desirable, you save money, which is a consideration, and you save your hair, which is the most important of all.

Why not profit by the experience of Mrs. S. A. Lee, of 110 South 4th St., Richmond, Va., who writes:

"Four years' residence in India ruined my hair until it was but two inches long and very thin. I tried everything in Europe and America without benefit until I was induced to use Herpicide. My hair is now long, soft and silky and natural color, while before it was quite gray. My friends never tire of admiring my hair."

Mrs. Lee's story is a typical history of hair troubles. After everything else fails Newbro's Herpicide brings relief. It would be just as effective if used first.

Newbro's Herpicide kills the dandruff germ and prevents falling hair. It stops itching of the scalp almost instantly. No matter what the claims of others, Herpicide is the only genuine original dandruff germ destroyer.

Newbro's Herpicide in 50c and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.

Send 10c for sample bottle to The Herpicide Co., Dept., R., Detroit, Mich.
